

Professional Teeth Whitening For Life Program Contract

The **\$99 Professional Teeth Whitening for Life** offer is a courtesy and a privilege compliments of **KONDAS Dental Group**. This program is extended to patients who have proven themselves as individuals who take their oral hygiene and general dental health seriously. We believe it is extremely important to maintain recommended hygiene care appointments and receive necessary dental treatment to maintain a healthy and beautiful smile. In fact, patients who maintain regular hygiene appointments and receive recommended treatment spend less money on dental care (on average) than those who only see the dentist when they perceive a problem exists. All too often, people who wait until there is a problem have irreversible damage to their gums, teeth, and/or jaw.

We pride ourselves on the smiles that leave our practice. We also pride ourselves on knowing our patients are maintaining the best possible oral health. The **\$99 Professional Teeth Whitening for Life** offer was developed as an amazing opportunity for those patients that are already taking their dental health seriously, and as an incentive for those who need a little help keeping up with their dental care. You will receive custom made, professional, take home whitening trays for personal use.
